Additional or special deposits are not included in the aforementioned deposits and payments and must be paid by you upon invoice from Snow Tours.

It is important that your payments are received in our office no later than the stated due dates. If payments are late or not sent, we may have difficulty in retaining your travel reservations and pricing, and additional charges may apply for increases in travel costs or the travel arrangements may be cancelled due to non-payment. Time is of the essence for all of your obligations under this agreement. Your tickets, vouchers, and travel documents will be provided to you after full payment has been received.

A7. LATE BOOKING

Snow Tours recognizes that travel plans often come together quickly and that sometimes it is not possible to make a decision until the "last minute." Snow Tours will do everything reasonably possible to accommodate a late request, but all travel arrangements are subject to availability and the feasibility of issuing travel documents on short notice. Please send us full payment immediately upon confirmation in order to avoid the risk associated with a last-minute reservation.

You acknowledge that requests made close to a departure dates requires extra communication, administration and delivery costs. There is a fee of \$75 per person for reservations that are confirmed with less than 65 days before the departure date.

A8. TRAVEL CANCELLATION AND REFUNDS

Cancellation General. Snow Tours realizes that unexpected cancellations occur for travel plans and what a disappointment and disruption this can be!

To avoid misunderstandings, please send us cancellations in writing and enclose all travel documents including air tickets and vouchers. The date Snow Tours receives the cancellation notice and original travel documents in our office establishes the effective date of cancellation. Overnight commercial carriers are often best to return travel documents to ensure they arrive promptly and so you can trace a package if necessary.

Cancellation Fees and Refunds: Cancellations that are received more than sixty-five (65) calendar days prior to the departure date will be assessed a one hundred and fifty dollars (\$150.00) charge per person, plus any cancellation or similar fees assessed by the airline, lodging and/or other vendors (a "Provider"). Certain aspects of your travel may be non-refundable. Airfare cancellation fees are governed by the rules applicable to the fare basis used and many fares are nonrefundable. Snow Tours will offer this \$150 cancellation fee as a credit towards another trip that is booked within 12 months of cancellation.

Generally, lodging providers do not provide refunds for late arrivals or early departures. If a notice of cancellation is received 65 or fewer days prior to arrival, regardless of the reason for the cancellation, all of amounts paid are non-refundable and will result in forfeiture of the entire reservation value. Consult your travel agent or Snow Tours for specific details regarding cancellation fees and refund request procedures at time of booking.

No refunds will be given for unused portions of your package.

A9. VACATION PROTECTION PLAN

In collaboration with a leading insurer, Snow Tours has developed a customized Vacation Protection Plan which provides financial protection from cancellation fees specified in the travel protection plan as well as coverage for certain travel-related risks that may be associated with your trip. Travel Insurance is recommended for your trip.

Insurance premiums are not refundable.

A10. CHANGES IN TRAVEL ARRANGEMENTS

Snow Tours recognizes that sometimes individual plans change and will do everything reasonably possible to accommodate your change request, subject to availability. As your departure date approaches, it becomes increasingly difficult, and sometimes impossible, to make any changes at all. To reduce misunderstandings, please send us all changes in writing. Receipt of the request will be effective on the date your notice is received in our office and you will be notified if the requested change is possible.

In an effort to keep our prices as low as possible, the travel arrangements we provide often include the use of special airfares which are not available to the general public, and which may have different restrictions than normally published fares. Snow Tours often selects airfares which require advance purchase of tickets which similarly have additional restrictions and are non-refundable. Consequently, after reservations are confirmed, and even before the ticket is issued, changes to your air tickets usually involve penalties, which may equal the entire value of the ticket. In all cases, Snow Tours and you must abide by the airline restrictions and penalties.

Please note, that once the ticket is issued, it is non-changeable and non-refundable.

We endeavor to minimize our fees for changes; the following change fees apply.

Changes Requested More than 60 Days before Departure: \$100 per person for each available change.

Changes Requested Less than 60 Days before Departure: \$100 per person for each available change, plus any applicable penalty assessed by our suppliers.

As departure date approaches, it becomes increasingly difficult, even impossible, to make any changes at all.

Changes after Departure: Snow Tours regrets that it is not able to provide a refund for any component of an inclusive travel package that you may not use, nor are we able to change air tickets.

A11. DELIVERY OF TRAVEL DOCUMENTS

Your tickets, vouchers and other travel documents will be delivered to you approximately two weeks before your departure date. At that time, details of all local contacts will be provided. It is your responsibility to ensure we have your correct address for delivery of travel documents.

A12. FOREIGN CURRENCY AND PRICE GUARANTEE

The quoted travel package price for international group reservations is based upon the foreign currency exchange rates in effect on the date of quotation. The foreign currency exchange rate can fluctuate and currency adjustments will be made prior to final payment. Your travel price is guaranteed once you pay the final balance for the reservation.

A13. LAND ONLY BOOKINGS

You are responsible for your own actions and decisions when engaging in any activity or terrain and will exercise your own judgment based on your physical ability, weather and general conditions, and the nature of the activity.

Snow Tours will take such action as is necessary or reasonably appropriate to address the circumstance. Such situations can cause delays resulting in additional expenses, or other consequences. You understand and acknowledge that Snow Tours is not responsible for these situations and any delay, expense, loss or inconvenience you may experience and that a refund will not be issued.

Overbooking, or If We Make Changes

Snow Tours does not intentionally overbook, but sometimes we find that the transportation or the accommodation which you originally requested may not be available. When this situation arises, or if Snow Tours has to make changes to your travel, you will be notified as soon as possible. In these circumstances, Snow Tours will provide substitute arrangements of the same, or better, category. If Snow Tours is unable to provide equivalent alternative arrangements, you may cancel your travel without penalty.
